ILLUMINATIONEN

Our 3D illuminations, lettering and special designs offer you individual illuminations according to your wishes, which attract every passer-by with their three-dimensional optics.

The delivery is inclusive:

- Pre-assembled chains - with carabiners on all motifs
- Mounted Schuko plug for all items
- Special lamps (7 watts) with brass base, special gluing and seven-fold helix or led lamps
- For LED-SZ, all motifs are equipped with a light tube 13 mm with 36 bulbs / m in IP44

Your advantages:

- Production of special fonts according to your template
- Implementation of all popular word fonts
- All motifs also available with LED light tube or with LED E27 lamps
